- ¹ Some underlying investment managers or Specialist Managers may charge performance-related fees from time to time. Estimated performance-related fees are subject to change without notice and may be lower or higher than the actual figures listed. The performance-related fees listed show the 30 June 2019 actual performance-related fees provided by the underlying investment managers of the Fund. Refer to the latest PDS for further information on performance-related fees.
- ² The total management cost includes the management fee, indirect costs, underlying investment/Specialist Manager fees, any applicable performance-related fees in respect of the Funds and expense recoveries (excluding any unusual or non-recurrent expenses). The actual total management cost may vary from the estimated total management cost depending on changes to the Fund's underlying assets, changes to underlying investment/Specialist Managers and their fees including the charging of any performance-related fees, where any unusual or non-recurrent expenses are incurred or any changes to other related expenses.
- ³ The buy-sell spread is incurred by those investors trading (buying and selling investments) in the Funds.
- ⁴ The Fund's underlying assets were restructured effective 31 July 2018. The actual costs listed reflect a combination of the Fund's pre and post-restructure investment profiles and may differ from the estimated costs disclosed in the latest PDS.
- ⁵ Presented as a percentage of the average fund size.
- ⁶ This is the estimated percentage by which the Fund's investment return has been reduced by transaction costs. Refer to the latest PDS for further information on other transaction costs.
