

Specialist

Australian Shares Fund

As at 30 June 2022

Investment objective

The objective of the Fund is to provide exposure to a diversified portfolio of Australian shares and produce investment returns which aim to outperform the Fund's benchmark over rolling five-year periods (after fees and expenses).

Investment philosophy

The Fund seeks to outperform the market index by selecting specialist managers to actively manage portfolios of Australian shares. A diverse range of investment strategies and skills are employed to generate outperformance.

Notes

- The estimated Management Costs are inclusive of net GST and include the management fee and where relevant, expense recoveries and underlying investment manager fees. Please refer to the latest PDS and www.ioof.com.au for full details on fees and costs.
- Performance is net of management costs and expenses. Performance is based on exit price to exit price for the period and assumes that all distributions are reinvested. Management costs and other expenses are accounted for in the exit price. Past performance is not a reliable indicator of future performance. Fund performance prior to 31 July 2018 is based on the previous underlying asset portfolio's allocation. The fund's underlying assets and benchmark changed effective 31 July 2018.
