The investment returns in the table are calculated based on movements in unit prices and assuming all distributions are reinvested on the last day of the distribution period. Figures are net of all fees and expenses (including performance fees) but before tax.

Important information: Issued by IOOF Investment Services Ltd (IISL), ABN 80 007 350 405, AFSL Licence No. 230703 as Responsible Entity of the Strategic Funds, Specialist Funds and Foundation Funds.

Past performance is not a reliable indicator of future performance. Performance is net of fund manager fees and charges. Performance is based on exit price to exit price for the period and assumes that all distributions are reinvested. Investment management fees, other fees, expenses and tax (where applicable) are accounted for in the exit prices. Unit prices may rise and fall in line with the value of the underlying assets. Neither IISL, the investment managers, nor any of their related bodies corporate, guarantee the performance or any rate of return of the investments. To the extent permitted by law, no liability is accepted for any loss or damage as a result of any reliance on this information. This Performance Summary may be considered to be general financial product advice only, and is not intended to represent investment or professional advice and does not take into account your individual financial circumstances. You should consider the appropriateness of this information, having regard to your individual financial circumstances. Where available, Product Disclosure Statement (PDS) and Target Market Determination (TMD) should also be obtained and you should consider the PDS and TMD in deciding whether to acquire, or to continue to hold the investment.
