Further recognition for IOOF at the 2021 Fund Manager of the Year Awards

We're delighted to announce that IOOF has been recognised at the 2021 Money Management Fund Manager of the Year Awards. This year we were named:

- **Winner** – Multi Asset – Growth category: IOOF MultiMix Balanced Growth Trust
- **Highly commended** – Global Property Securities category: Strategic Global Property Fund

IOOF's Chief Investment Officer, Dan Farmer, said:

"Success at the Fund Manager of the Year Awards is another great achievement for the IOOF Investment Team. It's testament to our ongoing commitment to deliver quality investment solutions that help our clients to secure their financial future."

"At IOOF, we believe in a multi-manager, active management approach because it offers superior risk-adjusted returns over the long term. It provides investors with ready access to a combination of investments which are professionally researched and blended with various asset classes, investment managers and investment styles to achieve true diversification."

"We are proud of this recognition, particularly as it reflects the great outcomes we have delivered for clients amid challenging investment markets. We have consistently delivered strong performance throughout the market cycle, as a result of our strong asset allocation skills and our ability to identify and invest in value-adding strategies."

This recognition follows a number of recent high-profile awards for our Investment Team. In March this year Canstar, Australia's biggest financial comparison site, awarded IOOF 'Managed Funds Provider of the Year – Multi-Sector Funds'. Prior to that *Money* magazine Best of the Best Awards 2021, named IOOF MultiMix Balanced Growth Trust winner of the 'Best Multi-Sector Fund' category for the second year in a row and the IOOF MultiMix Australian Shares Trust won the category of 'Best Australian Shares Super Product'. Most recently Financial Standard has named IOOF as a finalist in the 2021 Investment Leadership awards for four funds in three different categories and we look forward to finding out those results next month.
