

2023 Key Management Personnel Remuneration Disclosures

Oasis Fund Management Limited

October 2023

Section 1**Introduction**

This document is designed to provide stakeholders with details about Key Management Personnel (KMP) remuneration for Oasis Fund Management Limited ABN 38 106 045 050, RSE L0001755 ("the Trustee"), paid or provided by the Trustee or a related party, as required under 300C(1)(a) of the *Corporations Act (2001)* and Regulation 2M.3.04 of the *Corporations Regulations (2001)*. The Trustee is a registrable superannuation entity ("RSE") licensee ("RSEL") regulated by the *Act* and *Regulations*.

This document is referred to as Statutory Remuneration Disclosures 2023. It provides remuneration disclosures for 2023 as required by the *Act* and *Regulations*.

Insignia Financial Limited ABN 49 100 103 722 is referred to as "IFL" throughout this document. IFL and its controlled entities are referred to as "the Group". The Trustee is a wholly owned subsidiary of IFL. All figures in this report are in Australian dollars (AUD).

The remuneration (payments, benefits and compensation) received by each Key Management Personnel detailed in this document has been received from a related party of the Trustee which is either IOOF Service Co Pty Ltd ABN 99 074 572 919 or MLC Wealth Ltd ABN 97 071 514 264. Accordingly, the amounts disclosed in Tables 1 and 2 for each Key Management Personnel reflect the proportion of remuneration that relates to work performed for the Trustee during the year by the Key Management Personnel in accordance with Regulation 2M.3.04 of the *Corporations Regulations*. The approach for the different categories of Key Management Personnel is outlined below:

- The amounts disclosed for each non-executive director, are the actual (specified) amounts they have received for their role. Further details about how these amounts have been determined are given in the section "How Key Management Personnel remuneration is determined". The amounts disclosed reflect remuneration received for work performed for the Trustee for the year.
- The Chief Member Officer, Anne Coyne, only performs work for the RSEs within Insignia. Therefore, the amounts disclosed reflect the remuneration received for work performed for the Trustee for the time spent in role for the FY23 performance period.
- The remaining Key Management Personnels perform work for the Trustee and work for other Group entities (other than the Trustee) but do not receive specifically identified remuneration for their work for the Trustee. The amounts disclosed in these cases reflect an estimate of the proportion of remuneration received for work performed for the Trustee for the year. This has been determined by applying a percentage to the Key Management Personnel's total remuneration based on the estimated work the Key Management Personnel performs for the Trustee.

The Key Management Personnel are defined as persons having authority and responsibility for planning, directing and controlling the activities of an entity, directly or indirectly, including any Director (whether Executive or otherwise) of that entity.

Oasis Fund Management is the Trustee for the following Superfunds:

- Oasis Superannuation Master Trust Super Fund

2.2 How Key Management Personnel remuneration is determined

Non-executive directors

Director and Committee fees are set by the Insignia Financial Ltd Board for each non-executive director of the Trustee. Whilst this cohort are employed by IOOF Service Co Pty Ltd or MLC Wealth Ltd, the fee paid to perform the role undertaken for the Trustee is funded by the Trustee and may, in part, be recharged to the Oasis Superannuation Master Trust's General Reserve. Fees include compulsory contributions to superannuation. This fee is based on market data provided by external market remuneration from the Financial Institutions Remuneration Group (FIRG) and IFL's Group People & Remuneration Committee's recommendations to the Trustee Board. The setting of fees considers relevant factors including the level of fees paid to Board members of other Australian corporations which are of a similar size and operational complexity to the Trustee, the activities of the Trustee and the responsibilities and workload requirements of directors of the Trustee. In addition, the Insignia Financial Ltd Board annually reviews the fees paid to the Chair and non-executive directors on the Trustee Board in line with general industry practice and adjusts where appropriate.

To ensure independence, non-executive directors are not paid any performance or variable reward related remuneration.

Non-Executive Directors Remuneration

Directors are remunerated for their work, having regard to their specific responsibilities and the nature and objectives of the Fund. The fees are reviewed with effect from 1 July each year.

Board	Board Chairperson fee ⁽¹⁾	Board Member fee ⁽¹⁾
RSEL Boards ⁽²⁾	\$363,830.80	\$273,830.80

The other Key Management Personnel are employed by IOOF Service Co Pty Ltd or MLC Wealth Ltd. They are all remunerated in accordance with the Group's People & Remuneration policy and practices by the employing entities. Their remuneration arrangements are reflective of the role they perform for the Group and are reviewed at least annually. In setting an individual's remuneration the Group considers:

- role complexity and responsibilities;
- individual capabilities, experience and knowledge;
- business and individual performance;
- internal and external market role relativities;
- management on the target remuneration for individuals; and

Key Management Personnel Arrangements

2.4 Value of shares and performance rights

The following table sets out details for deferred shares and rights that were granted to each eligible Key Management Personnel during the 2023 financial year (1 July 2022 to 30 June 2023) or in prior years and that then vested, were exercised/sold or which lapsed/were forfeited during the 2023 financial year.

A performance right is a right to receive one IFL share subject to the satisfaction of the relevant performance and service conditions. A reference to shares refers to shares issued by IFL.

Key Management Personnel did not pay any amounts for performance rights that vested and were exercised during 2023. The number of shares provided when the rights exercise is on a one-to-one basis. There have been no changes to the terms and conditions of these awards, or any other awards since the awards were granted. All performance rights that vest, are automatically exercised when they vest.

For the awards allocated during the year to 30 June 2023, the maximum number of shares or performance rights that may vest is shown for each Key Management Personnel. The maximum value of the equity awards is the number of shares or performance rights subject to IFL's share price at the time of vesting. The minimum number of shares or performance rights and the value of the equity awards is zero if the equity is fully forfeited or lapsed.
